

For Sale: 1971 MG Midget (split rear bumper style)

This car would make a terrific "barn find" except I know where it has been for the past 44 years.....in my garage.

1275cc engine (12CJ series), Original paint -- no rust Carolina car, Early Rostyle wheels & Pirelli tires, New carpeting, 75,900 miles -- all original equipment, Runs well,

Hydraulics need rebuilding -- not driven since 1987,

Asking \$4,000 -- perhaps less to a MG Cleveland member

You should really examine the car on my lift and pull the chassis plugs to see how clean the unit body is inside.

From Clem Skeham;

Here are some pictures of (the neighbor's) TD for sale. Last run last year, 56,000 miles on odometer, Black with Tan interior. I think they are asking around \$15,000.

There is also a 1974? Datsun 240 Z Which I think they also will sell which I think is also in good shape

The Cars are in Willoughby. Their number is 440-942-6950 (2)
