BRONTE CREEK BRITISH CAR DAY – SEPTEMBER 16-17-18

A group of us are planning a weekend trip to Niagara Falls and British Car Day at Bronte Creek (between Niagara Falls and Toronto). Last year, it drew around 1,000 British cars, over 50 vendors and 8,000 spectators. The event is the largest, one-day, all-British car event in North America. It's quite a fun event since a number of the British cars in Canada were never imported into the US. The plan is drive to

Niagara on Saturday, September 16 and stay at the Falls on Saturday night. On Sunday, you can either go to the car show, or spend the time in the Niagara area. You can then either drive home on Sunday night, or stay in Niagara and drive home on Monday. Please let me know if you are interested and I'll send information on the weekend including our hotel.
